Tony,

I have enclosed the recent Mind Capture presentation event survey results in which I pulled from to create the following testimonials:

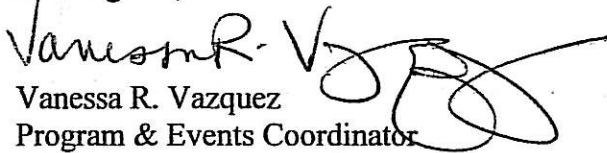

“Tony’s ideas are creative, useful and practical.”

“Tony’s presentation was extremely engaging. He’s not only knowledgeable, charismatic and motivating...he’s FUNNY!”

“Tony used everyday experiences to relate to our members. They walked away with useful industry leading tools to help grow their businesses and I would gladly invite him back to motivate and inspire others to do the same.”

Thank you again for speaking to our members. I am extremely confident that every single person enjoyed your presentation and I look forward to working with you in the future.

Best regards,
