Dear Tony:

Just a quick follow-up to let you know that the Seven Secrets Workshop you presented on July 27 was a big hit! We had 94 in attendance, and based on the results from our evaluations, the participants felt the workshop was extremely worthwhile. I know I heard many positive comments as people were leaving. Probably the only negative was that many commented that they would have liked for the workshop to last longer.

When asked if they would like to see you back, it was an overwhelming "yes." Thus, we would like to invite you back for 2007 where you can present the Referral Magic session.

From my end, I enjoyed working with you and your staff and financially, it was a "win-win" situation for both of us.

I look forward to working with you next year.

Sincerely,

Shari J. Carroll
