Dear Tony:

Thank you for presenting your Marketing to Make Money and Referral Magic seminars to our members on April 19. The crowd loved your high-energy, value-packed workshops!

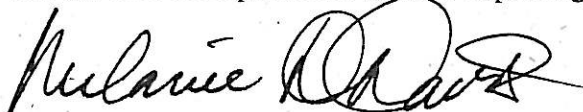

The response from attendees has been positive, and we'd like to bring you back in the future so more members have the opportunity to benefit from your message. Here's what one member had to say:

I have never taken the time to really THANK the Chamber for offering such great trainings and networking opportunities, but after this morning's sessions with Tony - I just had to. I wish there had been an evaluation so I could have given him an A plus. I really left feeling motivated and energized. He reminded me of many things I really want to be doing and also gave me many new ideas and strategies to grow my business. Thanks for bringing him here to Macomb. He did a fantastic job, and he has a great personality. It was an informative and a fun morning and it was enjoyable seeing all the smiling faces of the chamber staff! Thanks!

If my other chamber colleagues ask, my advice would be, "book Tony now! Your members will thank you.....mine did!"

All the best for a productive, mind-capturing future,

Melanie D. Davis, APR
