Dear Tony:

I wanted to drop you a quick thank you for presenting your seminar *Marketing To Make Money* last week for our Gold, Silver and Bronze Chamber members! We've found your programs to be in great demand by our members.

This is the second time we've had you present to our members the past few years and we've received great feedback each time. Recent comments we received included:

"Great material that I can use immediately in my business"

"I picked up several techniques for gaining more referrals"

"Definitely worth the time!"

"Engaging and dynamic. Tony brings real world examples and ideas that produce results"

We have very high standards at the Detroit Regional Chamber and I would highly recommend Tony and his 'Mind Capture' live seminars and training programs to any chamber or association.

Sincerely,

A handwritten signature in black ink that reads "Wendy".
