Dear Tony:

Thank you for your participation at our 2007 Annual Toastmasters International Convention at the J.W. Desert Ridge Resort & Spa in Phoenix, Arizona. Our members thoroughly enjoyed your presentation, "How to Get Massive Free Publicity for Your Club." The information you delivered in your session was insightful, informative and entertaining. Best of all, you captured their attention from the beginning until the end. We greatly appreciate the time and effort you devoted to personally develop an outstanding session.

Tony, Toastmasters International has always believed that by featuring the best, the best will be delivered. Thank you for allowing us to maintain that belief!

Sincerely,
